Mission: To develop and sustain partnerships to support and encourage workforce readiness and workforce development.

Vision: A workforce ready to meet the Fredericksburg region's current and future employment needs.

"The FXBG Chamber, a direct connector and convener of students and businesses, will partner with all secondary and post-secondary schools in PD16 to provide opportunities for students to learn from, engage with and work for companies, corporations and organizations; overall expanding paid and credit-bearing student internships and other work-based learning opportunities.
